Grant Program Guidelines**

ArtsWave Pride Grant Program Guidelines

Purpose

In alignment with ArtsWave's intention to promote and celebrate all the ways that the region is diverse, and to create inclusive arts experiences that are also exciting and innovative, the ArtsWave Pride Grant Program requests proposals for projects that may appeal to or have relevance to the broader LGBTQIA+ community.

Who May Apply

ArtsWave believes that strong arts create strong communities. To be eligible for the FY2024 ArtsWave Pride Grant Program, an organization must meet all the following requirements:

- Have a 501(c)3 tax status or be non-profit in nature with an established fiscal agent.
- Be based in the Cincinnati-Middletown, OH-KY-IN MSA, which includes the following counties: Brown, Butler, Clermont, Hamilton, and Warren Counties in Ohio; Boone, Bracken, Campbell, Gallatin, Grant, Kenton, and Pendleton Counties in Kentucky; and Dearborn, Franklin, Ohio, and Union Counties in Indiana.
- Have a primary mission to provide programs or activities in areas directly concerned with arts or cultural heritage for the public.
- Provide programs or activities that celebrate the LGBTQIA+ community.
- Does not currently have an active ArtsWave Pride grant and has successfully completed all previous ArtsWave Pride grant requirements.
- Have not received funding through another ArtsWave project grant since January 1, 2023*
- Embody [ArtsWave's commitment to access, equity, and inclusiveness](#).

**Proposed projects that have been funded already through the FY2023 African American Arts, FY2023 ArtsWave Catalyzing Impact, or FY2023 Young Professional grant programs are not eligible to apply. A recipient of any of those grant programs is still eligible to apply but must propose a different project for the ArtsWave Pride grant program.*

ArtsWave will not award grant support to organizations that, in their constitution, bylaws, or practices, discriminate against a person or group because of age, race, national origin, ethnicity, gender, disability, sexual orientation, political affiliation, or religious belief. In doing so, we seek to promote respect for all people.

NOTE: Applicants new to ArtsWave must schedule an introductory call or meeting prior to the application deadline. Returning applicants are also encouraged to reach out with any questions they may have related to their project or application. Please contact Lori Burkhardt at lori.burkhardt@artswave.org to schedule a time.

UPDATE: Beginning with the FY23 grant cycle, an organization may apply for funding for two (2) consecutive years and if awarded funding in both years would then be required to take one (1) year off before applying for the ArtsWave Pride grant program again. For example, if you were **funded for** ArtsWave Pride in FY23 and FY24, then you would be ineligible to apply in FY25.

Eligible Requests

The ArtsWave Pride Grant Program provides funding for arts or cultural heritage projects that promote and/or celebrate the LGBTQIA+ community, advancing Cincinnati's reputation as a welcoming and inclusive community through the arts. A project is defined as a specific activity with explicit goals and objectives. Projects with multiple components and/or event dates must show a cohesive theme that tie the entire project together.

This grant program is designed to provide both seed funding to support the development of new programming, as well as short-term operating support for existing programming with a demonstrated impact of inclusivity.

The ArtsWave Pride grant is intended for LGBTQIA+ programming with an arts component that transcends events/projects framed as Pride celebrations or parties. Applicants are encouraged to develop projects that align with the stated purpose of this grant and that occur outside the annual Pride season.

To be eligible for the FY2024 ArtsWave Pride Grant Program, the proposed programming should:

- Be participatory and social
- Align with one or more goals of ArtsWave's Blueprint for Collective Action
- Engage and/or celebrate the LGBTQIA+ community
- Not have received funding through another ArtsWave project grant since January 1, 2023 (see note in previous section)

Proposed programming must take place between September 1, 2023-July 15, 2024 and not be completed before grant award notification.

Grant Amounts

The dollar amount allocated for this round of ArtsWave Pride Grants will be determined upon completion of ArtsWave's FY23 Community Campaign.

Funding requests may be made up to \$25,000 and should be an appropriate request in relation to the full project budget being submitted. Projects may be funded partially or in full.

Up to 10% of the grant request can be allocated to general administration and overhead.

- Programming can be achieved in the proposed timeline.

Requests may be funded partially or in full.

Grant Requirements

Upon notification of award, grant recipients must submit a grant acceptance form and attend a grant marketing review webinar, date and time to be determined. If the recommended award is less than the project request, ArtsWave may ask you to complete an updated budget form as a part of the acceptance materials. A single grant payment will be issued once the grant acceptance form has been received.

Final Reports will be assigned once award distribution is made to provide immediate access for the grantee and to streamline internal administrative processes. All final reports are due upon completion of the project, but no later than August 30, 2024. All requirements must be submitted through Submittable. Applicants will be ineligible to apply for funding if a previous final report for any grant program is outstanding.

Appendix A: Blueprint for Collective Action

Our Vision – A more vibrant regional economy and more connected community for all.

Overview

By supporting a wide variety of art forms and providing strategic leadership for the arts sector in the broader community, ArtsWave creates an environment where the growing impact of the arts is felt and celebrated by the entire community.

The Blueprint for Collective Action provides a focus for ArtsWave's community investments and strategic initiatives for the next ten years. The Blueprint is designed to achieve three things:

- Align with broader community objectives;
- Provide more clarity and specificity around the kinds of activities and outcomes ArtsWave desires; and
- Leverage more support from the community by demonstrating relevance to the community.

By focusing the ArtWave's investment strategy, the Blueprint is intended to stake a bold vision for the region for enhanced impact through the arts by establishing five community goals and creating a roadmap for their achievement.

Blueprint Goals and Roles

The Blueprint is based on the following principles:

- All goals have equal priority.
- Every arts organization plays a part in achieving our collective goals through a wide variety of activities and programs that create community impact – some new, many already established.
- Individual arts organizations (of any size or discipline) can play specific roles in support of the achievement of each goal.
- No single arts organization can fulfill all roles for all goals all the time. A diverse arts community supporting many different types of organizations and activities is necessary to fulfill all roles and achieve all goals.
- A single activity or program may fulfill several roles and may advance progress on more than one goal.
- ArtsWave, too, has specific roles to play in the achievement of each goal. ArtsWave must leverage its position as leader, connector, aggregator, and partner to build capacities sector-wide.

Arts Put Cincinnati on the Map

Greater Cincinnati's innovative arts scene attracts talent, visitors, and business to the region.

GOAL: To be a more competitive region for talent attraction by leveraging arts that are perceived as extraordinary

Roles for Arts Organizations:

- To design new or unexpected artistic collaborations
- To create arts experiences that are active, immersive, and social; and that stretch the boundaries of the art form
- To improve and employ digital capabilities and use of social media to reach and engage digitally oriented or remote audiences
- To participate in collaborative efforts to increase earned media and leverage paid media/marketing opportunities
- To develop and share stories that distinguish the region through its arts

Arts Deepen Roots in the Region

Residents who are engaged in the arts – whether as volunteers, artists, or audience members – have a stronger and more positive connection to the community.

GOAL: To deepen feelings of engagement and connection to the community by widening participation in arts experiences, especially those that resonate with adults age 40 and under

Roles for Arts Organizations:

- To create arts experiences that are participatory, social, recurring, and encourage personal investment in the organization and/or community
- To create arts experiences for college students and young professionals
- To develop partnerships and collaborations with local colleges and universities
- To involve college students and young professionals at all levels of organizational decision-making

Arts Bridge Cultural Divides

When the arts reflect and celebrate the diversity of our community, residents build a greater understanding and appreciation of cultural differences.

GOAL: To promote cross cultural understanding by increasing the availability and accessibility of arts experiences that include and represent all races and ethnicities

Roles for Arts Organizations:

- To present works of art created by artists of all races and ethnicities
- To create arts experiences that include artists of all races and ethnicities

- To identify and establish partnerships and collaborations that support equitable access to arts experiences for people of all races and ethnicities
- To involve at all levels of organizational decision-making people who reflect the broadest possible racial and ethnic diversity
- To develop cross-cultural artistic partnerships and collaborations

Arts Enliven Neighborhoods

Community arts centers, galleries, and theaters serve as vital hubs for neighborhood activity that supports local business and builds civic pride.

GOAL: To enhance the vibrancy of neighborhoods, particularly those that are underserved and/or revitalizing, by increasing the availability and accessibility of arts organizations and opportunities

Roles for Arts Organizations:

- To establish partnerships and collaborations within the neighborhood in which the organization is physically located
- To create an environment where all members of the organization's surrounding neighborhood feel welcome
- To increase the variety and frequency of arts experiences embedded in or accessible to neighborhoods throughout the region

- To enliven indoor and outdoor public spaces throughout the region with arts experiences
- To optimize the use of resources already present in neighborhoods throughout the region to support equitable access to arts experiences

-
- To improve and employ digital capabilities and use of social media to reach and engage neighborhoods

Arts Fuel Creativity and Learning

The arts have the power to transform education both by improving learning of core curriculum and teaching skills like creativity, collaboration, and critical thinking.

GOAL: To promote the development of 21st century skills by ensuring that all children in the region, particularly those that are underserved, have access to multiple arts opportunities

Roles for Arts Organizations:

- To provide meaningful arts education opportunities for youth at all grade levels
- To optimize the use of resources already present in school and community settings to support equitable access for youth to meaningful arts education opportunities
- To provide professional development and enrichment opportunities for arts educators
- To develop curricula, materials, and training to support arts integration in all subjects and at all grade levels
