# FY2024 Young Professionals Grant Program Guidelines

# Young Professionals Grant Program Guidelines

## Purpose

The attraction and retention of young professionals to our region is a top priority for Greater Cincinnati. Compared to our peer regions across the country, Cincinnati is seeing slower growth in this key demographic. Maintaining a workforce that is diverse in age is vital to a thriving, growing community. Business and civic leaders, including the Cincinnati USA Regional Chamber, are focused on finding ways to build awareness among young professionals about Cincinnati and to engage more deeply those that are already here.

ArtsWave's research on arts engagement in our community revealed the power of the arts to attract, engage, and retain residents. Community members who reported a high level of arts engagement also showed high levels of civic engagement, reported a growing circle of friends, and had a higher opinion of the quality of life in Greater Cincinnati. The arts deepen roots in the region. As part of the Blueprint for Collective Action ([Appendix A](#)), ArtsWave's 10-year action plan, we are being intentional about creating and funding more arts activities and programs that target young professionals and help them to become more deeply rooted in Greater Cincinnati.

The ArtsWave Young Professionals (YP) Grant Program began in 2016 and is an initiative that provides funding to support programming that engages young professionals. The funding to support the FY2024 YP Grant Program will come from donations made by young professionals to the 2023 ArtsWave Community Campaign.

## Who May Apply

ArtsWave believes that strong arts create strong communities and actively seeks to promote access, equity, and inclusiveness in its grantmaking. To be eligible for the FY2024 Young Professionals Grant Program, an organization must meet all the following requirements:

- Have a 501(c)3 tax status or be non-profit in nature with an established fiscal agent.
- Be based in the Cincinnati-Middletown, OH-KY-IN MSA, which includes the following counties: Brown, Butler, Clermont, Hamilton, and Warren Counties in Ohio; Boone, Bracken, Campbell, Gallatin, Grant, Kenton, and Pendleton Counties in Kentucky; and Dearborn, Franklin, Ohio, and Union Counties in Indiana.
- Have a primary mission to provide programs or activities in areas directly concerned with arts or cultural heritage for the general public.
- Does not currently have an active Young Professionals Grant with ArtsWave and has successfully completed all previous Young Professionals grant requirements.
- Embody [ArtsWave's commitment to access, equity, and inclusiveness](#).

---

ArtsWave will not award grant support to organizations that, in their constitution, bylaws, or practices, discriminate against a person or group because of age, race, national origin, ethnicity, gender, disability, sexual orientation, political affiliation, or religious belief. In doing so, we seek to promote respect for all people.

**NOTE:** Applicants new to ArtsWave must schedule an introductory call or meeting prior to the application deadline. Returning applicants are also encouraged to reach out with any questions they may have related to their project or application. Please contact Lori Burkhardt at [lori.burkhardt@artswave.org](mailto:lori.burkhardt@artswave.org) to schedule a time.

**UPDATE:** Beginning with the FY23 grant cycle, an organization may apply for funding for two (2) consecutive years and if awarded funding in both years would then be required to take one (1) year off before applying for the Young Professionals grant program again. For example, if you **received funding** for Young Professionals in FY23 and FY24, then you would be ineligible to apply in FY25.

## Eligible Requests

ArtsWave recognizes there is a lack of resources dedicated to programming specifically for young professionals. This grant program is designed to provide both seed funding to support the development of new programming, as well as short-term operating support for existing programming with a demonstrated impact.

To be eligible for the FY2024 YP Grant Program, the proposed programming should:

- Be participatory, social, and recurring
- Encourage personal investment in the organization and/or community
- Seek to increase engagement among young professionals who are already engaged in the arts community
- Strive to reach young professionals that are not already engaged
- Have a plan for long-term sustainability

Proposed programming must take place between September 1, 2023-July 15, 2024, and not be completed by grant award notification. Interim Report presentations will take place in March 2024, day and time TDB. Final reports will be due August 30, 2024.

## Grant Amounts

Grant awards will be given up to \$15,000. There is no matching funding requirement for this grant; however, priority will be given to proposals that have a financial commitment from other sources (including in-kind).

## Appendix A: Blueprint for Collective Action

**Our Vision – A more vibrant regional economy and more connected community for all.**

### Overview

By supporting a wide variety of art forms and providing strategic leadership for the arts sector in the broader community, ArtsWave creates an environment where the growing impact of the arts is felt and celebrated by the entire community.

The Blueprint for Collective Action provides a focus for ArtsWave's community investments and strategic initiatives for the next ten years. The Blueprint is designed to achieve three things:

- Align with broader community objectives;
- Provide more clarity and specificity around the kinds of activities and outcomes ArtsWave desires; and
- Leverage more support from the community by demonstrating relevance to the community.

By focusing the ArtWave's investment strategy, the Blueprint is intended to stake a bold vision for the region for enhanced impact through the arts by establishing five community goals and creating a roadmap for their achievement.

### Blueprint Goals and Roles

The Blueprint is based on the following principles:

- All goals have equal priority.
- Every arts organization plays a part in achieving our collective goals through a wide variety of activities and programs that create community impact – some new, many already established.
- Individual arts organizations (of any size or discipline) can play specific roles in support of the achievement of each goal.
- No single arts organization can fulfill all roles for all goals all the time. A diverse arts community supporting many different types of organizations and activities is necessary to fulfill all roles and achieve all goals.
- A single activity or program may fulfill several roles and may advance progress on more than one goal.
- ArtsWave, too, has specific roles to play in the achievement of each goal. ArtsWave must leverage its position as leader, connector, aggregator, and partner to build capacities sector-wide.
