

2021 Campaign Entertainment and Activities

Welcome to ArtsWave's Campaign Entertainment and Activities list! Use this list to build great kick-offs (remember to consider kick-offs for affinity groups at your company - Leadership, Women's affinity, etc.) and schedule impactful on and off-site tours and activities. You can feel free to contact each organization/person on this list directly, however, if you need help or suggestions please do not hesitate to contact your ArtsWave liaison or Andre DuBois (513-632-0133, andre.dubois@artswave.org).

WAIT! Have you already requested an Arts Speaker for your kick-off? If so, you're awesome and can move on to scheduling some entertainment or an activity. If not, please click on the link below to request one (the form will take about 2 minutes to fill out).

Arts Tours - Get out of the office and visit arts organizations for a private tour for your group. Experience behind the scenes tours at the Cincinnati Playhouse in the Park or Cincinnati Ballet. Go on a Docent led tour of the Contemporary Arts Center. Tours are a great way to get colleagues out of the office and experience something new in Cincinnati. Contact the specified arts representative to book your tour and be sure to reference your ArtsWave employee campaign to receive special pricing (most times, this will be free!). **Please note, ArtsWave requests that tours be restricted to a 10 person maximum due to the pandemic.**

Entertainment - Book a musical act, caricaturist, clown, and more for your next ArtsWave kickoff, meeting, or finale celebration to liven up the room. You can book soloists, duos, trios, and groups of musicians, or explore options outside the norm. Many of our entertainers will perform at a special ArtsWave rate*. When booking, be sure to reference you're running an ArtsWave employee campaign at your company.
