arts wave } Visionaries Legacy Donors

In 1927, 3,500 visionaries created an endowment for the arts, now known as ArtsWave. Just like then, now is the time to step forward to create and secure the vibrancy, access and economic vitality of our arts for future generations.

Become an ArtsWave Visionary by making a gift to our endowment, either with current assets or a deferred gift in your estate plans. Members will be featured in the new historical ledger of community members, alongside the original 1927 donors, and receive invites to special events with fellow members.
