For example, if you receive an Inspire Grant FY26 and 27, the next application cycle you would be eligible for would be the Inspire Grant FY2028.

## how to apply

At ArtsWave, we want everyone in Greater Cincinnati to experience the positive benefits of the arts — a more vibrant regional economy and more connected communities. In fall 2015, ArtsWave released the **Blueprint for Collective Action in the Arts** which outlines five community goals, a roadmap for their achievement, and a framework for ArtsWave's community investment strategy and grant programs for the next ten years.

All applicant organizations are asked to demonstrate how their work aligns to one or more of these five strategic areas. We strongly recommend downloading and reviewing this document to familiarize yourself with this framework before applying for ArtsWave support.
